under the cadres of Sub Engineers, Overseers and Sub overseers and a joint report was prepared, a copy of which is enclosed. While returning this report with his signature with his letter No. 2059/E dated 12-9-1947 (copy enclosed) the Chief Engineer has furnished certain revised figures in regard to the working strength of the Overseers as on 25-2-1944 and 28-9-1944 and pointed out fresh vacancies (which were reserved for non-graduates) for providing eight graduate overseers whose promotions have been sanctioned in G.O.No. PW 731-2 Est 45-45-7 dated 30-7-1946. A further verification was therefore found necessary and has ~~again~~ again been taken up. As Government have ordered in their letter of 31-5-1947 that the question should be finally settled by the Chief Engineer and the P.W.Auditor and a joint report should be furnished and as the promotions relate to the years 1944-45 in respect of a large number of overseers, the U.O. file will be returned soon after the work is completed.

mo

8 Subj) The return of the U.O. file will be awaited.

9 It will be seen from the joint note of the Chief Engineer and the Auditor, that there were 10 vacancies of Sub Engineers and 29 out of the vacancies of overseers available for graduate Surveyors. The old test of promotion of 10 Graduate overseers as Sub Engineers and 29 graduate Surveyors as overseers (against 37 promoted) has been ~~found~~ varied to the extent the sanctioned scale. It is ~~Unnecessary~~ for orders cancelling the arrear bills of those 10 Sub Engineers and 29 overseers may not be passed in audit, reserving only the cases of 9 overseers (from the last in the list of promotions) for orders separately. This will enable the old claims being settled, as the bills are pending for about a year and more.

10. Even for the last 9 overseers,

B 6/11/47.

Letter No.P.W.8139-41/Est 39-46-3 received from the Secretary to Government, P.W.D. regarding the sanctioned strength of Executive Establishment in the Public Works Department.

===

Joint Note of Chief Engineer for Irrigation and Auditor, P.W.D.

===

In G.O.No. P.W.5695-6716 dated 25-2-44 Government have laid down certain principles to be adopted in future for regulating recruitment to and promotions in the Public Works Department. According to these principles, the scale of Surveyors, Overseers and Sub-Overseers after 25-2-1944 has to be reallocated, the number of Overseers being fixed at 12½ per cent of the total strength of the Sub Overseers (both permanent and temporary). Before the strength in the new cadres was got sanctioned under orders of Government, 53 Sub Overseers were promoted as Overseers in the new cadre on 29th September 1944. Proposals for reallocation of the numbers in the new grades were submitted to Government by the Chief Engineer with his letter No.1141/E dated 13-8-1946. While this matter was under consideration of Government, another batch of 28 Sub Overseers was promoted by the Chief Engineer as Overseers in April 1947 pending orders of Government on the proposals submitted by him. In his letter No. P.W.8139-41/Est.39-46-3 dated 31-5-1947, the Public Works Secretary has communicated the orders of Government, inviting reference to the Audit office letter No.315/W 4 dated 15-1-1947and Chief Engineer's reply thereon and stating that Government feel that no finality can be reached in the matter unless the Chief Engineer and the P. Auditor meet and discuss with reference to the Government orders sanctioning the strength of the establishment under each cadre and finalise the same to form the basis for further verification and disposal of pending cases.

This note is prepared after due consultation and verification by the Chief Engineer and Auditor.

2. The sanctioned strength of the non-gazetted executive establishment on 25-2-44 originally reported by the Chief Engineer was as follows:-

	Permanent.	Temporary.	Total.
Sub Engineers	17	23	40
Overseers	45	40	85
Sub Overseers	359	355	714

Sub Engineers -

3. The total number of Sub Engineers - that is 40 (17 permanent + 23 temporary) as noted above is correct.

Overseers

4. The total sanctioned scale of Overseers as on 25-2-1944 is 75 (36 permanent and 39 temporary) as shown below:-

1. According to G.O.No. PW 373-426/E 1974-2027 dated 9-9-1922.	30
2. Irrigation Circle	7
3. Bangalore & Mysore City Municipalities	4
4. Less:- reduction as per G.O.No.PW 109-11/E dated 9-7-1925	5
Total permanent	36
Temporary	39
Grand total	75

5. Promotion of 37 graduate Overseers was approved in G.O.No. P.W.731-2/Est 45-45-7 dated 30-7-46. But the vacancies for graduate Overseers as on 25-2-44 will be only 29 against 37 originally reported to Government as shown below:-

Total sanctioned scales	75
No. of men working	46
Vacancies available	29
Add vacancies made available by promotion of 10 Overseers as Sub Engineers in the G.O. of 30-7-46	10
Total	39
Less - number reserved for non-graduates 25%	-10

Balance available for graduates. 29.

6. New scales after 25-2-1944:-

The total number of permanent Suboverseers as on 25-2-44 is 305, excluding 16 Sub Overseers sanctioned for the Bangalore and Mysore City Municipalities.

7. The total number of temporary Suboverseers sanctioned for the several Project works, Sub Divisions and Ranges as on 25-2-1944 is 355 including 75 hands sanctioned for other Departments as detailed below:-

Inter Village Works	60
C.I.T. Board, Mysore	5
Bangalore City Municipality	5
Occupational Institute	5
Total	75

8. The permanent strength in each cadre after the issue of G.O. No. P.W.6695-5716 dated 25-2-44 will be as follows:

No. of permanent suboverseers as on 25-2-44. (Old Scale)	305
1. No. of Surveyors in the new scale being 1/3 of 305	102
2. No. of Sub Overseers in the new scale being 2/3 of 305	203
3. No. of Overseers in the new scale being 12½% of 203	25

9. The total number of temporary Suboverseers sanctioned for the department as on 25-2-44 was 280. Unlike the permanent establishment which is fixed for the State as a whole on a provincial basis, the temporary establishment is fixed by Government under a separate order in each case as each division, Range, Sub Division, or Project is sanctioned which is taken as the scale sanctioned for that particular object and audit is done with reference to the same scale. These establishments undergo frequent changes under Government orders as the works develop or are closed In the case of temporary establishment the sanctioned strength under Overseers, Surveyors and Sub Overseers for each work is adopted without any pro-ortion as in the case of permanent establishment.

10. The scale of permanent Overseers and surveyors in the new scale after 25-2-44 as on 26-2-44 will be as follows:-

Overseers.	25
Surveyors	102
Sub Overseers	203

These numbers get altered from time to time after 25-2-44 due to subsequent additions and alterations, the total number standing on 1-7-47 being as follows:-

Overseers 24
Sub Overseers 248
Surveyors 116

This scale as on 1-7-47 may be sanctioned by Government as final so that the Chief Engineer may regulate promotion etc, accordingly after consulting the Audit Office.

11. Two batches of Sub overseers were promoted by the Chief Engineer on 28th September 44 and on 9th April 1947. The working strength of Overseers on these two dates was 65 and 56 respectively. As per statement enclosed the scale on 28-9-44 and 9-4-47 was 63 and 45. The promotions made in both the cases are in excess of by 2 and 11 respectively on the two dates. The promotions made on 28-9-1944 which are already given effect have to be cancelled or modified and overpayments recovered. The promotions as on 9-4-47 are still pending and will be revised and approved finally by the Chief Engineer.

Chief Engineer for Irrigation.

Chief Engineer for Irrigation.

Auditor, P.W.D.

2

S.S.20.

Copy of Letter No.2059/E. dated 12th September 1947 From the Chief Engineer for Irrigation in Mysore, Bangalore, addressed to the Auditor, P.W. Department, Bangalore.

Sanctioned strength of Executive Establishment in the P. W. D.

With reference to your D.O.Letter No.167/W.4 dated 20-8-1947, forwarding a Draft of a Joint Report relating tothe above subject I have the honour to return herewith the same duly signed for - transmission to the Secretary to Government, Public Works Department.

2. In para 5 of the report, it is mentioned that promotions ordered in Government Order No.P.W.731-2/Est. 45-45-7 dated 30-7-1946 exceeded the sanctioned scale by 8 in the Overseers' cadre. The actual working strength of the Overseers on 25-2-1944 including promotions ordered on 30-7-1946 was 71 as per list herein enclosed. Hence, the question of reversion of certain Surveyors does not arise.

3. Out of 53 Suboverseers promoted as Overseers in September 1944 Mr. K. Subba Rao whose name is included in the list of 53 Suboverseers was on combined leave from 1-5-1944 and he retired from service with effect from 19-7-1945 while still on combined leave. Hence, the excess over the sanctioned scale will be only one and this also gets regularised with effect from 1-12-1944 when the post of an overseer was sanctioned for Nagenalla Tank Works.

4. A copy of this letter may also be forwarded to the Secretary to Government, P.W. Department, along with the Joint Report.

I have etc.,

Signed.

CHIEF ENGINEER FOR IRRIGATION.

MKV.

'COPY'

S. Narayana Rao
Superintendent
CA&DW

Office of the Chief Engineer for
Irrigation in Mysore,
No.3715 Dated Bangalore, 31st October 1947

To

The Sec Auditor,
Public Works Department,
Bangalore.

Sir,

Sanctioned strength of Executive Establishment in P.W.D.

In continuation of this office letter No.2059 dated 10-9-1947, I have the honour to state that sanctioned scale of 75 Overseers mentioned in my letter under reference includes 10 vacancies reserved for promotion from the Sub Overseers cadre. These 10 vacancies were not filled up by this office. Hence, the working strength of the Overseers on 25-2-1944 falls short of sanctioned scale by 4 as already intimated. If necessary, sanction of Government for making use of 8 out of 10 vacancies reserved for promotion from the Suboverseers' cadre for promotion from the Surveyors cadre will be obtained.

2. A list of Overseers retired from service from September 1944 is enclosed herein. It may be seen therefrom that the working strength of Overseers never exceeded the sanctioned scale after November 1944.

3. The promotion of Overseers ordered in April 1947 will be given effect to after the total number of Overseers is fixed by Government.

4. The date from which the services of the following Surveyors were lent to other Departments are noted against each:-

1) Mr.K.S.Chandrasekaran- M.E.S. 29-7-1942 vide No.25 dated 10-7-1942.
2) Mr.D.B.Narasimhiah - 23-11-1943 - Mysore State Railway vide T.O.No.1149-50 dated 12-11-43.
3) Mr.S.Govindaraja Sotty - 27-10-43 - Director of Public Health - No.C.56-58 dated 12-10-1943.
4) Mr.V.S.Ramacharya - 27-11-1941 Bangana Palli Durbar vide G.O.No.4260 dated 6-12-1941.

P.T.O

6) Mr.M.A.Thirumalachar - 20th April 1938 - Still continuing in the Muzrai Commissioner's office.

6) Mr.B.L.Shantamallappa - 31-12-1943. M.E.S. vide G.O.No.6311-12 dated 17-3-1944. After reversion from the M.E.S. posted to Sri Jayachamarajendra Occupational Institute, Bangalore vide T.O. where No.7466-69/E dated 23-5-1945 when he joined duty on 25-5-1945.

I have etc.,

Sd.M.Narasimhaiya,

GCS/31st. CHIEF ENGINEER FOR IRRIGATION.

To

The Comptroller to Government

of Mysore, Bangalore.
(Through the Financial Secretary)

Sir,

Promotion of Overseers as Sub Engineers and of Surveyors as Overseers ordered in G.O.No. P.W.731-2/Est.45-45-7 dated 30-7-1946.

With reference to your U.O.Note No.302/A.4. dated 17th October'47, on the abo subject, I am directed to state that it will be seen from the joint note of the Chief Engineer and the Auditor, Public Works Department, furnished with letter No.3059/A. dated 12th September 1947 of the Auditor, Public Works Department, that ten vacancies of Sub Engineers and 29 out of 37 vacancies of Overseers intended for Graduates have been verified to correct and that only eight vacancies of Overseers still remain to be verified. I am therefore to request that the bills pertaining to the due claims of ten Sub Engineers and 29 Overseers promoted against those vacancies in the G.O.No.P.W.731-2/Est.45-45-7 dated 30-7-46 may kindly be caused to be audited and passed very early, reserving only the cases of remaining last eight Overseers for orders after further verification.

I have the honour to be,
Sir,
Your most obedient servant,

Sd/- B.S.Narasinga Rao,

Secretary to Government,
Public Works Department.

Copy with comments to the Auditor, Public Works Department and the Auditor, Jog Power Scheme, (through Financial Secretariat) for favour of further action as indicated above.

The Chief Engineer has been requested to forward the bills concerned if any with him, audit.

Copy with comments to the Chief Engineer for information with reference to his Note dated 31st October 1947 and favour of early needful action as indicated above.

H. Puttaswamy 29/11/47
for Secretary to Govt., P.W.D.
